

OUTSIDE BAR HIRE OPTIONS

OPTION 1 – Standard Bar (Dry Hire):

Standard bar (dry hire) from £175.00+VAT (subject to minimum of 100 people). This price includes delivery/set up & collection fees.

C&S Catering will provide the basic bar unit & all glassware required & you will be required to provide your own drinks, ice, lemons & refrigeration yourselves.

You would need to price your drinks for a pay bar accordingly & have a bar tariff displayed - we would recommend that you price your own drinks at rounded up figures so as not to have to deal with too much "loose change", you will of course also need to provide a float for your pay bar & a cash box & importantly arrange your own T.E.N (Temporary Events Notice, licensing which you will need to apply for).

You will be responsible for clearing & cleaning of all glassware provided, any breakages will be charged at cost

OPTION 2 – Pay Bar:

Pay bar hire from £325.00+VAT,(subject to minimum of 100 people). This charge is to cover the cost of delivery/collection & setting up the bar at the venue, it also includes the hire of all glassware, back bar fridge/s, all bar equipment required for running of the bar including coolers/pumps, shot pourers & measures, napkins, straws, ice, lemons etc..etc..the cost also includes application of the legally required T.E.N license for providing & serving alcohol & having a licensed person present on the bar.

We will also supply all /any drinks chosen by yourselves from our list for a pay bar plus a fully operational cash register.

Any drinks chosen by you for a pay bar will be charged to the individual accordingly on the night.

By law, a Bar Tariff will be displayed at the bar for your guests to view both the selection of drinks available & their respective prices.

FREE BAR OPTION (add on to pay bar option only):

If you wish to have a "free bar" for your guests for an hour you can either supply the additional drinks for us to serve or pay a set amount on account which will be used to serve your guests a "free bar" for the duration of one hours or until your limit has been met, after which time the fully operational pay bar would come into action.

Please note:
